PreveCeutical Medical Inc. Announces \$3.28 Million Fully Subscribed Private Placement

Vancouver, British Columbia: PreveCeutical Medical Inc. (the “Company” or “PreveCeutical”) (CSE: PREV, OTCQB: PRVCF, FSE: 18H), announces a fully subscribed non-brokered private placement (the “Financing”) of up to 4,377,776 units (each, a “Unit”) at a price of \$0.75 per Unit to raise gross proceeds of \$3,283,332. Each Unit will consist of one common share of the Company and one warrant, with each warrant entitling the holder thereof to purchase one common share of the Company at an exercise price of \$0.90 per share for a period of 6 months from the closing of the Financing (the “Closing”) and thereafter at an exercise price of \$1.00 per share until the expiry of the period ending 12 months from the Closing. The Closing is expected to occur on or about December 8, 2017. The common shares and warrants comprising the Units will be subject to a hold period of four months and one day in Canada.

The proceeds of the Financing are intended to be used to fund the Company’s research and development programs and for general working capital purposes. The Company may pay finder’s fees on a portion of the Financing equal to 10% of the gross proceeds raised, payable in cash and/or securities, as the Company in its sole discretion may determine and in accordance with the policies of the Canadian Securities Exchange (the “CSE”). The Financing is subject to CSE and other applicable stock exchange and regulatory approval.

This news release does not constitute an offer to sell or a solicitation of an offer to buy the securities described herein in the United States, or in any jurisdiction in which such an offer or sale would be unlawful. The securities described herein have not been and will not be registered under the United States *Securities Act of 1933*, as amended (the “1933 Act”) or any United States state securities laws, and may not be offered or sold in the United States or to the account or benefit of a “U.S. person” (as defined in Regulation S under the 1933 Act) or a person in the United States absent registration or an applicable exemption from the registration requirements.

About PreveCeutical

PreveCeutical Medical Inc. is a health sciences company that develops innovative preventive therapies utilizing organic and nature identical products.

PreveCeutical aims to be a leader in preventive health sciences and currently has five Research and Development programs, including: dual gene therapy for curative and prevention therapies for diabetes and obesity; a Sol-gel platform for nose to brain delivery of medical compounds including cannabinoids; Nature Identical™ peptides for treatment of various ailments; non-addictive analgesic peptides as a replacement to highly addictive analgesics such as morphine, fentanyl and

oxycodone; and a therapeutic product for treating athletes who suffer from concussions (mild traumatic brain injury).

PreveCeutical sells CELLB9[®], an Immune System Booster. CELLB9 is an oral solution containing polarized and potentiated essential minerals extracted from a novel peptide obtained from Caribbean Blue Scorpion venom.

Forward Looking Statements

This news release contains forward-looking statements and forward-looking information (collectively, “forward-looking statements”) within the meaning of applicable Canadian and U.S. securities legislation, including the United States *Private Securities Litigation Reform Act of 1995*. All statements in this news release that are not purely historical are forward-looking statements and include any statements regarding beliefs, plans and expectations regarding the future, including, the Closing and the amount of the Financing, the use of proceeds from the Financing, and anticipated business plans and timing of future business activities of the Company. Often, but not always, forward-looking statements can be identified by words such as “pro forma”, “plans”, “expects”, “may”, “should”, “budget”, “schedules”, “estimates”, “forecasts”, “intends”, “anticipates”, “believes”, “potential” or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Actual results could differ from those projected in any forward-looking statements due to numerous factors including risks and uncertainties relating to investor interest in the Financing and the ability of the Company to, among other things, obtain any required governmental, regulatory or stock exchange approvals, permits, consents or authorizations required, including CSE acceptance of the Financing and any planned future activities, complete its research programs as planned, and obtain the financing required to carry out its planned future activities. Other factors such as general economic, market or business conditions or changes in laws, regulations and policies affecting the biotechnology or pharmaceutical industry, may also adversely affect the future results or performance of the Company. Although the Company believes that the statements, beliefs, plans, expectations, and intentions contained in this news release are reasonable, there can be no assurance that those statements, beliefs, plans, expectations, or intentions will prove to be accurate. Readers should consider all of the information set forth herein and should also refer to other periodic reports provided by the Company from time-to-time. These reports and the Company’s Canadian continuous disclosure filings are available at www.sedar.com.

Readers are cautioned not to put undue reliance on forward-looking statements. These forward-looking statements are made as of the date of this news release and, unless required by applicable law, the Company assumes no obligation to update the forward-looking statements or to update the reasons why actual results could differ from those projected in these forward-looking statements.
